Grasp Table H47

Designed by Thomas Albertsen

Experience the striking blend of Danish design and modern functionality with Grasp, an all-weather portable lamp by Thomas Albertsen - the first to incorporate the pioneering FRANDSEN ONE interchangeable LED light source. Grasp Portable Table is an ideal desk lamp for the home or office, but will also make an impression in the windowsill or as a bedside light.

The three-stage dimmable ONE light source adapts to your mood, creating an atmosphere that's yours to control - be it for an intimate evening, a quiet moment of focus, or even a lively outdoor gathering due to its IP44 treatment.

Weight

1,77 kg

Box Dimensions

58 x 23,5 x 36,6 cm

About the Designer

Graduating from the prestigious Danish Design Academy in 2007, Thomas Albertsen's creative genius has spanned a wide spectrum, from crafting imaginative children's furniture to illuminating interiors with his distinctive lighting designs.

Albertsen's hallmark is his unwavering commitment to infusing simplicity with an unforgettable yet playful character. The result is a portfolio of designs that not only captivates but also redefines the pure essence of living - a combination which is sure to widen the popularity of this home grown talent in the years to come. In 2024, Albertsen's Grasp design won the Danish Design Favourite of the Year and Lamp of the Year.
