

DAWN wall lamp

Designed by Bly Studio

DAWN wall lamp

DAWN features two independently adjustable lamps that can be switched on or off separately and dimmed with a sliding control in the wooden beam - meeting a range of lighting needs in one sleek fixture.

Materials: Shade in PVC coated washi paper with blackout fabric with a frame in solid oak (natural oiled) and 2 separate dimmable LED light sources.

Number of light sources: 2 integrated fixed LED sources

Max power consumption: 15W, 800 lumen (light sources can be replaced), 3000K (dim to warm 1800-3000), CRI90+

Cord: White flat PVC cord 250 cm with type C power plug or fixed installation

P: IP20

Class: II

Input voltage: 220-240V

Dimming & lighting control: Yes, via lever-stepless 1-100% with two separate dimmable light sources.

Made in Denmark, CE

Cleaning and care

Gently remove dust with a dry soft cloth or a vacuum cleaner with a soft brush. For deeper cleaning, wipe the shade carefully with a soft cloth wrung in lukewarm water.
