

# SHIRO bowls

Designed by Stilleben

## SHIRO Bowls

*Shiro is the Japanese word for white. The little indigo blue dot is inspired by small Japanese stamps often used to sign a product or a paper. The dot also indicates the size of the bowl*

---

### General description:

SHIRO is a collection of simple, sculptural porcelain bowls in two sizes and is handcrafted from thin, transparent porcelain.

### Dimensions:

1 dot small: 102x98 x102 mm, 1 dot large: 236x124x236 mm

2 dot small: 140x75x140 mm, 2 dot large: 236x124x236 mm

3 dot small: 185x56x185 mm, 3 dot large: 298x98x298 mm

### Weight:

Small: 200-300 gr.

Large: 500-700 gr.

*Made in Vietnam, CE*

### Cleaning and care

Porcelain is highly durable and can withstand use with a dishwashing machine and microwave.
