

TWIST FLOOR LAMP

DESIGN BY ROMAIN SILLON

HAY

HAY

- GENERAL INFORMATION -

This product is fitted with one E27 (EU) or one E26 (US) bulb fittings. HAY recommends using this product with LED bulbs.

Ensure that the power supply to the circuit has clearly been turned OFF before installing the product. In some countries, electrical installation must be carried out by authorised electricians/contractors; please check with your local authority for guidance.

HAY will not accept any responsibility for any accidents, injuries or damages that occur due to the use of incorrect bulbs. The product must not be modified in any way. HAY accepts no responsibility for any products that have been modified or tampered with. If the external flexible cable or cord of this luminaire is damaged, it should be exclusively replaced by a qualified electrician in order to avoid an electrical hazard. This lamp is designed for indoor use only.

ATTENTION

TECHNICAL DATA

- CARE & MAINTENANCE -

The product can be cleaned with a soft damp cloth and mild detergent, or a dry microfibre cloth. Do not use alcohol or any other solvents to clean the product and avoid using abrasive or rough sponges. Ensure that the power supply has been turned OFF before cleaning the product.

Our Care & Maintenance offers guidance for optimal maintenance of your HAY product. It includes advice and instructions on cleaning and caring for specific materials to prolong the life of your lighting. You can also find the same information here hay.dk/downloads
