# PALISSADE CORD COLLECTION

## DESIGN BY RONAN & ERWAN BOUROULLEC

The Palissade Cord collection brings a softer expression to Ronan and Erwan Bouroullec's iconic Palissade outdoor range of furniture. Retaining the same design language as the original Palissade, recycled polyester cord is handwoven onto a powder coated steel frame, giving this series a more relaxed appearance. Comprising a dining armchair, dining bench, lounge chair, lounge sofa, and chaise longue in colours matching the existing Palissade variants, this collection is conducive for relaxing, eating, and socialising in a wide range of outside spaces.

Ronan & Erwan Bouroullec the Paris-based design brothers from Brittany have been working together since 1998. They have transformed the design industry and offered new perspectives of materiality and purpose. For HAY, they have designed the Palissade Collection, Copenhagen Collection, Can Sofa, Élémentaire Chair, Passerelle Table and Pier System.
